

Utility Billing Options

Did you know....

You can opt to have your utility bills sent to you through email rather than regular mail?

You can sign up for automatic bill payment (ACH) to have your bill automatically deducted from your checking account?

With the challenges the USPS is facing, these may be options you want to consider.

Go to the Forms & Applications button in the Citizen Action Center, locate the Utility category and choose the form. Complete and return to the Borough office (be sure to read all instructions and include any attachments required) via email (billing@jtborough.org), regular mail, or place in the drop box to the right of the front door at the Borough Office.
