(If your application does not have all the required documentation, it may delay the processing of your application until the required information is received.) NO work can begin until a Zoning Permit is issued. Zoning Permit fees are non-refundable. The issuance of a Zoning Permit does not guarantee that the property is a buildable lot.

The issuance of a Zoning Permit is based upon the facts stated and representations made in this application. A Zoning Permit may be revoked if the use and/or structure for which it has been issued violates any applicable Township, County, State, or Federal laws or regulations, including but not limited to the Borough of Jim Thorpe Zoning Ordinance. A Zoning Permit may also be revoked if it has been issued in error or if issuance was based upon misrepresentations or errors contained in the application or otherwise made by the applicant.

The Zoning Officer does not guarantee to give opinions related to the proposed construction under the Permit and does not warrant compliance with applicable laws or regulations by the issuance of the permit. The applicant bears all responsibility for ensuring compliance with all applicable laws and regulations, including but not limited to compliance with the Borough of Jim Thorpe Zoning Ordinance, the Borough of Jim Thorpes Subdivision and Land Development Ordinance and any and all regulations governing wetlands and/or other natural resources, and all other Township, County, State and/or Federal laws and Regulations.

Notice is hereby given that if the property described in the permit will require access to a highway under the jurisdiction of the PA Dept. Of Transportation, a Highway Occupancy Permit is required pursuant to the

State Highway Law before driveway access to a state highway is permitted. Access to a state highway shall be only as authorized by the Highway Occupancy Permit, issued by the PA Dept. of Transportation.

I hereby authorize the designated Borough of Jim Thorpe official to investigate, inspect, and examine the property set forth herein, including land and structures, to determine compliance with the Borough of Jim Thorpe Zoning Ordinance.
